Submitting A Soil Sample

- 1 Use the lined paper bag provided by AgSource Laboratories for your samples.

Fill the provided bag to at least one-half and up to two-thirds full.

It is important to supply an adequate amount of sample to get a representative measurement. This also ensures that the laboratory has enough sample to run the standard tests, Quality Control, and requested duplicates.

- 2 Clearly label all bags and **fill out sample submission form completely.**
- 3 For details about on-demand pick-up services, please call 515.297.8103.

Or, ship your samples directly to: AgSource Laboratories
1701 Detroit Street
Ellsworth, IA 50075

If shipping cannot occur immediately and you are also requesting a Nitrate test, refrigerate your samples until they can be shipped to AgSource.

- 4 For expected turnaround time information please call our office at 515.297.8103.
